Heritage Happenings Updates

Dear Residents

The process of upgrading Heritage Happenings from a "paper-first" to a "digital-first" publication is taking longer than I anticipated or wanted. The issue about the issues is, of course, me. I cannot seem to stop finding new things to think about, new tricks to learn and intriguing complexities I had not considered:

- A new email address
- An updated website
- Writing email and building webpages
- Establishing project management for all the above

Email address

Heritage Happenings now has a dedicated email address:

heritage-happenings-sf@gmail.com

A Gmail account enables access a gamut of Google programs. So it should be easier to collaborate on writing and editing articles. I hope also to be able to create Google calendars so that residents can the Heritage events to their calendars automatically.

SF Chronic Ad

In the Senior Life section of San Francisco Chronicle of Sunday July 22, 2025, there was a full page ad for Heritage on the Marina. Many residents did not see the ad.

Here is a link to the ad:

if you have a look you cannot fail to note the handsome selfie of yours truly.

Pony Bambino Photos

On Thursday July 23, there was a Gay Pride Month event featuring the remarkable Pony Bambino. By all accounts it was one of the most successful events held in Friendship Hall in a

long time. Pony was able to get both residents and team members to engage and participate in a wide variety of activities. Marty and Doris were both singing on the microphone and team members were not just sitting still.

Did you take a photo of this special event? Did you take a video?

Please share your good efforts with
heritage-happenings-sf@gmail.com

Wait, wait, there's more!

There's a large backlog of articles and items of interest to publish.

I will try my best to to get these out to you in a more timely fashion
