

French Wine and Cheese Tasting

On Wednesday, July 16th, the French wine and cheese tasting organized by residents, Activities and Dining Service personal took place in Friendship Hall. A tip of the hat to our Chef Sylvie, for the delightful presentation.

It was a delightful afternoon filled with exquisite pairings of French wines and cheeses, accompanied by four celebrity speakers who shared insights into the art of tasting and pairing.

The key-note speaker was Dylan-Madison Fraioli, founder and owner of La Fromagerie on *Cheesenut Street*. She Provided background on the selected cheeses, as well as going and crafting cheese roses individually for each participant.

Twenty-one residents attended. Four hundred dollars was raised as a contribution to the Employee Appreciation Fund.

This was the second time we'd had a wine and cheese tasting. Fingers crossed it becomes a tradition!
