

Heritage Happenings

These web pages complement the *Heritage Happenings* a monthly publication published by residents of the [Heritage on the Marina](#) - a quite dazzling senior community in San Francisco, California.

This website is under construction.

In the meantime, and especially if you are on a tablet or mobile device, please use this app.

Thank you testing this web site!

As with so many first efforts, there is a lack of organization and a number of design issues.

Fingers crossed: both these issues are dealt with in due course. In the mean time, please send your comments, thoughts and suggestions to Theo.

To do: make the size of the text adjustable. Establish high priority items needed so people with disabilities may access the content more easily.
