MARY LINDE

By Tom King

Mary Linde retired at the end of July, 2026. Her contributions during her career as a nurse and leader in retirement communities were celebrated by the residents of Heritage on the Marina, by the Board of Directors, and by the San Francisco Board of Supervisors. Steven Sherrill, our District 2 Supervisor, honored Mary on July 21, 2026 at a meeting of the Board of Supervisors in San Francisco's City Hall. Here's what he had to say: "Today, we honored Mary Linde, retiring CEO of Heritage on the Marina, for her decades of service to the senior community. From her early days as a neuro critical care nurse to leading one of our city's most beloved senior living organizations, Mary's career has been defined by compassion, dedication, and a deep belief that every older adult deserves to live with dignity and joy. We are grateful for everything she has given to this city, and we wish her all the best in her next chapter. " Then Mary said a few words of thanks, and we all trooped out for a photo. Chip drove us home in spite of an attempted mutiny to hijack the van to stop at an ice cream place.

MARY LINDE'S RETIREMENT PARTY

By Tom King

Mary Linde Retirement Invitation

Resolution

On Thursday, 7/28, we held a party for Mary at HotM. She received another certificate (see photo) and an electronic photo frame with many pictures of residents and staff. Probably just to try to make her not forget us, who knows? At the Board meeting on 7/22, Randy Gridley discussed the upcoming affiliation with Sequoia Living and heaped even more praise upon Mary. She's been properly embarrassed, for sure.

THE NEW CERAMICS CLASS

By Tom King

CeramicsClass4

The Activities Committee inaugurated a new ceramics class at Heritage on the Marina last month. By all accounts, it was a hit! "Beginning Ceramics with Stephanie", the new class, met in the Art Room, and the students went right to work! Patrick, is that a giant mushroom?

Residents are encouraged to try out this class, every Wednesday from 10 to noon.

Jennifer was kind enough to forward the photos to us, and she notes that the photos were taken by someone from the Art with Elders program. Thanks!

MAJOR PROJECT AT HOTM

By Tom King

HotM

At a meeting of all residents and staff on Thursday, July 23, 2026, Sara McVey and her team from Sequoia Living presented the major construction project concept they have in mind for Heritage on the Marina. The next day, the San Francisco Chronicle reported the following exclusive: "Historic Julia Morgan campus to be re-developed a block from Marina Safeway."

"This campus redevelopment would add more senior housing, and a sizable building, to the upscale neighborhood in San Francisco."

Here's a link to the SF Chronicle article: https://www.sfchronicle.com/realestate/article/marina-housing-safeway-julia-morgan-22359205.php NOTE: Chronicle subscribers can read this online; the article is also available free through the San Francisco Public Library's digital access.

For most of us residents, the presentation was mind-blowing, and we're all still processing the news. It means a major disruption a few years from now with a possibly-8-story building behind the Julia Morgan building, moving the Cottage to the southwest corner, and even renovating the existing apartments in the Julia Morgan building itself. The Flats would not be involved, but it certainly gives us all a lot to consider and discuss!
